| sanitary drains.  |   |                |                    |                  |                  |              |  |  |
| Methods for cleaning up:  | Never return spills   | to original c  | ontainers for re   | e-use. Use an a  | bsorbent mate    | rial to      |  |  |
|   | contain/pick up the   | e spilled solu | ution. Place all o | contaminated o   | lisposables into | o a suitable |  |  |
|   | container, seal, label and hold for disposal.                                       |                |                    |                  |                  |              |  |  |

### 7. HANDLING AND STORAGE

| Handling: | Protect from contamination. Wear personal protective equipment. |
|-----------|---|
| Storage:  | Store vials as directed in the package insert.                  |

### 8. EXPOSURE CONTROLS / PERSONAL PROTECTION

Respiratory protection: Hand protection: Skin and body protection: Eye protection: Hygiene measures: Respiratory protection is not required under normal use of this product. Wear appropriate protective gloves to prevent skin contact. Wear appropriate body protection to prevent skin contact. Wear appropriate eye protection to prevent eye contact. Avoid contact with eyes, skin and clothing.

### 9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance:

Clear, odorless

 10. STABILITY AND REACTIVITY

 Stability:
 Stable under recommended storage conditions.

 Polymerization:
 NA

 Hazardous decomposition products:
 Thermal decomposition may emit carbon oxides.

 Conditions to avoid:
 Excess heat, flame or pressure.
